RESEARCH

Funded Research

Grants and contributions for research during the period of 1988 through 2020 totaled more than 10 million €.

Completed

Title: Biomarkers of gestational diabetes
Sponsor Name: Italian Ministry of Research
2017-2019
Total Award: 30,000 € year

Title: NIPT test development
Sponsor Name: Ariosa-Roche and Natera, USA
2014-2016
Total Award: € 250,000

Title: New markers of gestational diabetes.
Sponsor Name: Cassa di Risparmio Foundation
2010-2011
Total Award: € 55,000

Title: New methodology for non-invasive prenatal diagnosis
Sponsor Name: National Health System
2008-2013
Total Award: € 200,000

Title: Special non-invasive advances in foetal and neonatal evaluation network (SAFE)
Sponsor Name: ??
2004-2009
Total Award: € 330,000 per year

Title: Dissemination of a knowledge-based system for determining appropriate intervention during labour based on qualified analysis of the fetal electrocardiogram
Sponsor Name: FECC, multicentric European research
1999-2004
Total Award: € 150,000 per year

Title: European Union Concerted Action Project on "European Perinatal Transport Systems" Sponsor Name: EUROPET
1996-1999
Total Award: € 125,500 per year

Title: Programme project on "Telemedicine in maternal infant care"
Sponsor Name: National Council of Research, Italy
1995-1998
Total Award: € 220,000 per year

Title: European Union Concerted Action Project on "European Programme of Occupational Risks and Pregnancy Outcome"
Sponsor Name: EUROPOP
1994-1997
Total Award: € 200,000 year

Title: Programme on "Maternal-fetal transmission of AIDS"
Sponsor Name: Italian Ministry of Health
1990 -1992
Total Award: € 49,400 year

Title: Programme project of "Prevention of osteoporosis in menopausal women"
Sponsor Name: National Council of Research, Italy
1990-1995
Total Award: € 49,400 year

Title: Programme project of national interest: "Surfactant replacement for prevention of RDS"
Sponsor Name: Ministry of Public Instruction.
1989-1992
Total Award: € 56,700 year

Title: Programme project: "Control of pain during labour"
Sponsor Name: National Council of Research, Italy
1984-1989
Total Award: € 35,700 per year

Title: Programme project: "Monoclonal antibodies for trophoblastic malignancies"
Sponsor Name: National Council of Research, Italy
1984-1989
Total Award: € 28,400 per year

Title: Programme project: "Evaluation of safety and new advances in hormonal contraception"

Sponsor Name: National Council of Research, Italy
1990-1995

Total Award: € 29,400 per year

Title: Programme project: "Prevention of preterm labour"

Sponsor Name: National Council of Research (CNR), Italy
1990-1994

Total Award: € 33,000 per year

Role: Principal Investigator; Percent Effort: ??%; Grant No. ??

Co-PI:

Title: Programme project: "Fetal lung maturation: prevention of newborn RDS"

Sponsor Name: National Council of Research (CNR), Italy
1988-1992

Total Award: € 29,400 per year

Funded

Title: RSV Vaccination in Pregnancy

Sponsor Name: GSK, a multi-center Italian study
2020-2022

Total Award: 350,000 €

Title: Rh immunoglobulins validation

Sponsor Name: Kedrion, a multi-center European Study

Total Award: 500,000 €

PUBLICATIONS

Dr. Di Renzo's scientific production comprises over 1500 papers, of which more than 470 appear in refereed international journals (H-index 56; i10 - index : 206) and more than 90 are scientific books.

Other Activities

He performed the studies of pipe organ, composition and history of music at the Conservatory of Music "E. Dall'Abaco " in Verona under the guidance of Maestro Renzo Buja, he has published numerous musical essays, held concerts and conducted choirs (especially between 1968 and 1976) as the official organist and choir-master of the Basilica of San Giorgio and of the church of Sant' Eufemia in Verona.

During his professional career he has collected various types of nativities from different countries of the world and, over time, he has become passionate about them to the point to create a personal collection consisting of more than 350 pieces from 32 countries. All collection has been donated to the Basilica of San Zeno in Verona where it is displayed in a well attended exhibition during each Christmas period (now since 2017) . In 2019 a catalogue entitled "Nativity" was published.

He has participated to numerous national literature competitions, winning prizes including the “Premio of poetry: il Golfo” in 2007 and the “Premio Cultura Italia” in 2010.

The National Association of Knights of Italy awarded him, in 2016, with the "Goodness Award" of the City of Perugia and, in 2019, he became an honorary member of the Association.
